

The 12 Days of Biostats by Gayle Springer

On the first day of Biostats, my teacher gave to me, A
notebook weighing a ton

On the second day of Biostats, my teacher gave to me, 2
sample t-tests And a notebook weighing a ton

On the third day of Biostats, my teacher gave to me, 3
Distributions 2 sample t-tests And a notebook weighing a ton

On the fourth day of Biostats, my teacher gave to me, 4
Problem Sets 3 Distributions 2 sample t-tests And a notebook
weighing a ton

On the fifth day of Biostats, my teacher gave to me, 5
Questions on the quiz 4 Problem Sets 3 Distributions 2 sample
t-tests And a notebook weighing a ton

On the sixth day of Biostats, my teacher gave to me, 6
Coefficients for interpreting 5 Questions on the quiz 4
Problem Sets 3 Distributions 2 sample t-tests And a notebook
weighing a ton

On the seventh day of Biostats, my teacher gave to me, 7
comparisons Bonferonni-correcting 6 Coefficients for
interpreting 5 Questions on the quiz 4 Problem Sets 3
Distributions 2 sample t-tests And a notebook weighing a ton

On the eighth day of Biostats, my teacher gave to me, 8
statistics a-sampling 7 comparisons Bonferonni-correcting 6
Coefficients for interpreting 5 Questions on the quiz 4
Problem Sets 3 Distributions 2 sample t-tests And a notebook
weighing a ton

On the ninth day of Biostats, my teacher gave to me, 9
students studying 8 statistics a-sampling 7 comparisons
Bonferonni-correcting 6 Coefficients for interpreting 5
Questions on the quiz 4 Problem Sets 3 Distributions 2 sample
t-tests And a notebook weighing a ton

On the tenth day of Biostats, my teacher gave to me, 10 labs
weekly meeting 9 students studying 8 statistics a-sampling 7
comparisons Bonferonni-correcting 6 Coefficients for
interpreting 5 Questions on the quiz 4 Problem Sets 3
Distributions 2 sample t-tests And a notebook weighing a ton

On the eleventh day of Biostats, my teacher gave to me, 11
TA's a-teaching 10 labs weekly meeting 9 students studying 8
statistics a-sampling 7 comparisons Bonferonni-correcting 6
Coefficients for interpreting 5 Questions on the quiz 4
Problem Sets 3 Distributions 2 sample t-tests And a notebook
weighing a ton

On the twelfth day of Biostats, my teacher gave to me,
12 covariates a-modeling 11 TA's a-teaching 10 labs weekly
meeting 9 students studying 8 statistics a-sampling 7
comparisons Bonferonni-correcting 6 Coefficients for
interpreting 5 Questions on the quiz 4 Problem Sets 3
Distributions 2 sample t-tests And a notebook weighing a ton
