

HOPELESSLY DEVOTED TO μ
Jan Kaminsky (adapted from Grease)

**Guess mine is not the first spline broken,
my line is not the best of means,
I'm not the first to know,
there's just no gettin' over μ**

**Hello, I'm just a fool who's willing
To reminisce about that old friend μ**

**But Diener, can't you see,
There's nothin' else for me to do
I'm hopelessly devoted to μ**

**And now I sit glassy-eyed,
Beta naught at my side
I'm out of my head
Hopelessly devoted to μ
Hopelessly devoted to μ
Hopelessly devoted to μ...**

**My head is saying "fool, regress it",
My stomach saying "please go slow"**

**Just hold on 'til March 12th
That's just what I intend to do
I'm hopelessly devoted to μ**

**But now it's almost the end,
Don't let me lose my stipend,
I gotta get through,
Hopelessly devoted to μ
Hopelessly devoted to μ ,
Hopelessly devoted to μ ...**
