OPEN POSITIONS are available at the Centers for Medicare & Medicaid Services (CMS) for RECENT GRADUATES!!!!!

CMS covers 100 million people through Medicare, Medicaid, the Children's Health Insurance Program, and the Health Insurance Marketplace. But coverage isn't our only goal. To achieve a high quality health care system, we also aim for better care at lower costs and improved health. In order to accomplish these goals, we need a highly effective, forward thinking workforce – and we think that starts with recent college graduates!

We are looking for individuals who have recently completed, within the past two years, a qualifying associates, bachelors, masters, professional, doctorate, vocational or technical degree or certificate for the developmental Pathways - Recent Graduates Program. (Eligible veterans may be granted additional time). Upon completion of the one-year Recent Graduates Program, participants are eligible for conversion to the competitive service without further competition.

CMS has an exciting, high performing culture that provides flourishing career opportunities in many fields and we have some of the most challenging yet rewarding jobs in the Federal Government! We shared with you one opportunity last month, and the rest are now here! We are currently seeking motivated individuals who can perform as Management/Program Analysts, Social Science Research Analysts, and Information Technology Specialists. These exciting opportunities will be available in several CMS departments and across multiple locations.

This is your chance to play a role in the evolving national health care arena and be part of a dynamic, fast-paced, and highly visible organization. If this sounds like the right organization for you, now is the time to apply! Additional information, including the process for applying, can be at https://www.usajobs.gov/GetJob/ViewDetails/460291300/ from January 9, 2017 through January 13, 2017. In order to be considered for this position, you MUST apply by following the instructions found in the vacancy announcement no later than January 13, 2017.
