**Did you know?** You can share open positions on your LinkedIn page and Facebook. If you need assistance with this, please let me know!

If you have someone that you would like to pass on to us, there are many ways to do this:
- Preferably, the candidate would apply on our website
- You can give them our direct emails
- You can send their resumes to us, don’t forget to include the referral form!
- You can give us their contact info, and we will reach out to them

Have a great week!
