I am the branch chief in the Division of Epidemiology at Center for Medical Devices of FDA. I found your contact information from JHU website. We have a few of opens for ORISE fellow position. It would be very much appreciated if you could share the information with students and trainees in your department.

This position is 9-month appointment but may be renewed upon recommendation of FDA contingent on the availability of funds. The participant will receive a monthly stipend commensurate with educational level and experience. Full time is preferred. The candidate should have a strong statistical analysis skill and verbal/written skill. The positions are open to PhD candidates, PhD graduates and MPH graduates in the field of epidemiology or statistics. If the applicant is not US citizen, US residence a minimum of 3 of the past 5 years is required. If anyone is interested in the position, please ask them to contact me.

Dongyi (Tony) Du, MD, PhD
Branch Chief
