MIT Campus, Cambridge MA  [http://necsi.edu/education/summer/school.html](http://necsi.edu/education/summer/school.html)

**Executive Certificate Programs**
Designed to serve as a practical and transformative guide for decision makers across a wide range of industries in both public and private sector.

**AI and Beyond:** 2/26 - 3/02, 2018
Strategic Analytics: 4/23 - 4/27, 2018
Washington, DC  http://necsi.edu/education/strategicanalytics.html

Better Decisions in a Complex World: 10/29 - 11/02, 2018
Cambridge, MA  http://necsi.edu/education/betterdecisions

Ninth Annual Conference on Complex Systems: July 22-27, 2018
ICCS is a unique interdisciplinary forum that unifies and bridges the traditional domains of science. This is not a certificate program, but an opportunity to contribute and be exposed to concepts and methods from across the diverse field of complex systems science.  http://www.necsi.edu/events/iccs2018/
