Tenure-Track Assistant Professor position in Statistics at Southern Illinois University Edwardsville (SIUE)

Southern Illinois University Edwardsville, a comprehensive state university 20 miles from downtown St. Louis, Missouri, invites applications for a tenure-track position at the rank of assistant professor beginning August 2017. We will consider applicants who have a strong commitment to teaching and a demonstrated capacity to perform research. The applicant should have a Ph.D. in Statistics or Mathematics. For those with a Ph.D. in Mathematics, we require a concentration in Statistics. Duties will include teaching courses in statistics and mathematics; mentoring students through senior projects and master's theses; performing research; and contributing to the department, college, and university through appropriate service activities. Candidates who have experience in data mining, computational statistics, and actuarial science are encouraged to apply.

The Department of Mathematics and Statistics has 16 tenured or tenure-track faculty members and offers undergraduate programs in actuarial science, applied mathematics, mathematics, secondary education, and statistics, and master's programs in applied mathematics and computational mathematics, mathematics, post secondary mathematics education, and statistics and operations research.
