University of Alabama at Birmingham, Department of Biostatistics: faculty position, open rank and tenure

The Department of Biostatistics, School of Public Health at the University of Alabama at Birmingham (UAB) invites applications for a tenured/tenure-track/non-tenure track faculty member at the Assistant/Associate/Professor rank (rank and tenure status commensurate with qualifications). This is a 12-month, full time position. Faculty will be expected and given the opportunity to develop their own independent line of research. In addition, substantial opportunities to collaborate and publish with other established investigators will be offered. This is an excellent opportunity to expand one’s career into one of the most rapidly progressing and in-demand areas of scientific research.

Candidates must have a background in biostatistics research methods, clinical trials, or statistical genetics research, a doctoral degree in biostatistics, mathematics or related, and a demonstrated ability to apply these techniques to biostatistics research. Proven ability to conduct innovative research is required. A successful track record of grant-funding is highly desirable. A successful track record of publication and collaboration as part of a research team is essential. We are seeking a bright, energetic, hard-working person who enjoys and excels at working as a team player with inter-disciplinary colleagues. Graduate level teaching (minimum 1 course per year) is required.

Applications will be accepted until the positions are filled. Applications, supported by cover letter indicating the interest for the position, a statement of teaching experience, full curriculum vitae and the names and contacts of four references should be sent to:

Chair, Search Committee 00504
