University of California, Berkeley
School of Public Health

Division of Biostatistics

The School of Public Health at the University of California, Berkeley seeks applications for a tenure-track faculty position with the Division of Biostatistics. Candidates must possess training and experience in both theoretical and applied statistics, and/or biostatistics, and have the potential to develop a research program involving contemporary public health and/or biomedical problems. In addition, the School of Public Health seeks candidates whose research, teaching, or service has prepared them to contribute to our commitment to diversity and inclusion in higher education. This position is available at the ASSISTANT or ASSOCIATE PROFESSOR level beginning Fall 2014.

Qualifications:
Applicants must have a doctoral degree or equivalent in Biostatistics, Statistics or a related field by the hire date of 07/01/2014.

Additional Qualifications:
Experience in teaching, and demonstrated ability and interest in both methodological and applied biostatistical research, in areas such as clinical trials, epidemiology, and genomics. In addition to maintaining strong methodological and collaborative research activities, duties include teaching at least one course per semester and mentoring graduate students.

Application Deadline: December 2, 2013

Application Procedure:
Please apply on-line at https://aprecruit.berkeley.edu/apply/JPF00187
1) Curriculum Vitae – your most recently updated C.V.
2) Cover Letter
3) Statement of research objectives
4) Statement of teaching interests and professional goals
5) Reprints of three (3) relevant publications
6) Three (3) letters of reference required

Note on confidentiality of letters of recommendation: All letters will be treated as confidential per University of California policy and California state law. All referees, including those whose letters are provided via a dossier service or career center, should be advised to consult the statement posted at: http://apo.chance.berkeley.edu/evalltr.html

The University of California is an Equal Opportunity, Affirmative Action Employer.
