FACULTY POSITION AVAILABLE

USF is a high-impact, global research university dedicated to student success. For information regarding the USF System, please visit our website at http://system.usf.edu/

The Department of Mathematics & Statistics at the University of South Florida has a tenure-track position in Statistics at the rank of Assistant Professor on our main (Tampa) campus starting August 7, 2014. A Ph.D. in Statistics or Mathematics with a concentration in Statistics is required by July 15th, 2014. The Department seeks expertise in both the theory and practice of Statistics with a significant data-driven component in research and teaching activities. Applicants must demonstrate evidence of, or potential for, excellence both in research and teaching. The candidate hired to this position will be expected to maintain a vigorous research program, seek external research funding, teach effectively and develop a satisfactory record of service. Consulting experience in Statistics is desirable.

A complete application must include a cover letter, curriculum vitae, statement of research and teaching interests. Application materials must be submitted through Careers@USF (https://gems.fastmail.usf.edu:4440/psp/gemspro-tam/EMPLOYEE/HRMS/c/HRS_HRAM.HRS_CE.GBL?Page=HRS_CE_JOB_DTL&Action=A&JobOpeningId=3231&SiteId=1&PostingSeq=1). Applicants should arrange for at least three recommendation letters to be sent by e-mail to denise@usf.edu with the subject line “Recommendation for Assistant Professor in Statistics”.

Review of applications will begin on February 17, 2014. Position will close on May 1, 2014.

Please direct questions regarding the application process to mathsearch@usf.edu.

According to Florida Law, applications and meetings regarding them are open to the public. USF is an Equal Opportunity/Equal Access Institution. For disability accommodations, contact Denise L. Marks at (813) 974-9747, a minimum of five working days in advance.

The Department of Mathematics & Statistics at the University of South Florida has a non-tenure-earning, nine-month renewable Instructor position available on our main (Tampa) campus starting August 7, 2014. The university offers a career path for Instructors, and more information can be found at (http://www.usf.edu/business/documents/about/instructor-promotion.pdf). Minimum qualifications include a Ph.D. in Statistics or Mathematics with statistics concentration with a strong interest in teaching undergraduates at the university. Job will involve coordinating graduate teaching assistants and teaching courses with enrollment of more than 100 students. The instructor will have the equivalent of a 12-hour teaching load.

A complete application must include a cover letter, curriculum vitae, statement of teaching philosophy and three letters of recommendation, at least two of which should address teaching. The application materials must be submitted through Careers@USF (https://gems.fastmail.usf.edu:4440/psp/gemspro-tam/EMPLOYEE/HRMS/c/HRS_HRAM.HRS_CE.GBL?Page=HRS_CE_JOB_DTL&Action=A&JobOpeningId=3238&SiteId=1&PostingSeq=1). Applicants should arrange for the recommendation letters to be sent by e-mail to denise@usf.edu with the subject line “Recommendation for Instructor Position in Statistics”.

Review of applications will begin on February 17, 2014. Position will close on May 1, 2014.
