Colorado State University, Department of Statistics: tenure-track faculty position in statistics – data science

The Department of Statistics at Colorado State University invites applications for a tenure track position in statistics. The appointment will be at the Assistant Professor level with duties commencing August 2018. A Ph.D. in statistics or a related field and a commitment to high-quality research in statistics and excellence in teaching are required. The search is open to all areas of statistical inference for data science; for example, statistical machine learning, large-scale computational statistics, and other emerging areas. Applicants should have the ability to contribute to the development and teaching of statistical data science courses at all levels in collaboration with data science partners in Computer Science and Mathematics. Preference will be given to candidates with strong potential to continue the Statistics department’s tradition in interdisciplinary research and education.

An application includes a cover letter, complete CV, graduate transcripts, teaching and research statements, and three letters of reference. The CV must address teaching experience. Application materials can be uploaded at https://jobs.colostate.edu/postings/50143. Applications completed by November 15, 2017 will receive full consideration.
