Tenure-track position at the rank of Assistant Professor of Statistics.

The Department of Mathematics at the University of Louisiana at Lafayette invites applications for a tenure-track position at the rank of assistant professor of statistics. Duties include teaching courses at the undergraduate and graduate levels, conducting research, and engaging in departmental and professional service. Applicants should have a Ph.D. in statistics and a commitment to excellence in research and teaching. Preference will be given to applicants in the field of statistics who have an established research program and university teaching experience. The University of Louisiana at Lafayette is a public Research University with high research activity.

The appointment will commence August 1, 2017.

Apply online at www.mathjobs.org/jobs/9730

We will begin reviewing applications on January 9, 2017. To ensure full consideration, receipt of complete application material is required on or before January 9, 2017. Applications received after this date will be considered until the position is filled.

Inquiries should be sent to: Dr. Kalimuthu Krishnamoorthy, Search Committee, krishna@louisiana.edu.
