Statistics: Assistant Professor to teach undergraduate and graduate courses in statistics and data science; conduct methodological and collaborative research leading to publication and external funding; provide academic advising; provide service to the institution and the profession.

Required: Ph.D. in statistics or biostatistics by date of appointment.

Desired: Consideration may be given to candidates with research expertise that complement those of department faculty and/or which connect to data science and analytics efforts in other departments. Candidates with any statistical specialties are invited to apply for this position.

Submit cover letter, research statement, teaching philosophy, curriculum vitae and graduate transcript to jobs.miamioh.edu/cw/en-us/job/497069/... Department will request letters of recommendation from references listed in application. Inquiries may be addressed to statsearch@MiamiOH.edu. Screening of applications will begin December 7, 2020 and continue until the position is filled.

Miami University, an Equal Opportunity/Affirmative Action employer, encourages applications from minorities, women, protected veterans and individuals with disabilities. Miami University prohibits harassment, discrimination and retaliation on the basis of age (40 years or older), color, disability, gender identity or expression, genetic information, military status, national origin (ancestry), pregnancy, race, religion, sex/gender, status as a parent or foster parent, sexual orientation, or protected veteran status in its application and admission processes, educational programs and activities, facilities, programs or employment practices. Requests for reasonable accommodations for disabilities related to employment should be directed to ADAFacultyStaff@MiamiOH.edu or 513-529-3560.

As part of the University's commitment to maintaining a healthy and safe living, learning, and working environment, we encourage you to read Miami University's Annual Security & Fire Safety Report at: www.MiamiOH.edu/campus-safety/annual-report/index.html, which contains information about campus safety, crime statistics, and our drug and alcohol abuse and prevention program designed to prevent the unlawful possession, use, and distribution of drugs and alcohol on campus and at university events and activities. This report also contains information on programs and policies designed to prevent and address sexual violence, domestic violence, dating violence, and stalking. Each year, email notification of this website is made to all faculty, staff, and enrolled students. Written notification is also provided to prospective students and employees. Hard copies of the Annual Security & Fire Safety Report may be obtained from the Miami University Police Department at (513) 529-2223. A criminal background check is required. All campuses are smoke- and tobacco-free.
