Oregon State University College of Business: instructor position in analytics/statistics

College of Business at Oregon State University in Corvallis, OR invites applicants for an anticipated full-time (1.0 FTE), nine-month, Instructor – Analytics/Statistics position to begin in March 2017.

Primary teaching duties are in business analytics and statistics. There are reduced expectations of scholarly accomplishments as compared to tenure-track positions since this is a non-tenure track position. For PhD candidates, there is an expectation of management-oriented consulting practices that lead to articles and/or case studies that are published in academic and practitioner journals across a spectrum of business disciplines. Service to the College, University, and profession are also expected.

Salary is competitive and commensurate with education and experience. Employee benefits are excellent. Required qualifications include a master's degree in business analytics, data analytics, management science, operations research, information systems, research methods, statistics, or related field; evidence of industry experience; and college level teaching experience with indicators of effectiveness and having a demonstrable strong commitment of excellence in teaching business analytics and statistics courses at the undergraduate and MBA levels, including teaching in the online environment. Preferred qualifications include a PhD in business analytics, data analytics, management science, operations research, information systems, research methods, statistics, or related field, experience using R, Python and Tableau, and a demonstrable commitment to promoting and enhancing diversity.

To apply, applications must be submitted using the OSU on-line application system located at jobs.oregonstate.edu/postings/28022. Applications must be submitted by 12/31/16, the position closing date. When applying, please submit the following required documents: 1) A letter of interest or cover letter, 2) A current vita with names, addresses, and phone numbers of three professional references, and 3) Summary information of courses taught with recent teaching evaluations loaded as Other Document 1. For additional information, please contact Heather Maurer at heather.maurer@bus.oregonstate.edu. OSU is an AA/EOE/Veterans/Disabled.
