

Admissions/Acceptance Information for MHS Programs in the Department of  
Biostatistics

MHS in Biostatistics (*stand-alone*)

| Year    | # of Applications | # Admitted | # Who Matriculated                               |
|---------|-------------------|------------|--|
| 2006-07 | 4                 | 2          | 2 (1 of whom is a deferral from the 05-06 cycle) |
| 2005-06 | 6                 | 1          | 0  |
| 2004-05 | 1                 | 1          | 1  |

MHS in Biostatistics (*concurrent with PhD in another department*)

| Year    | # of Applications | # Admitted | # Who Matriculated |
|---------|-------------------|------------|--------------------|
| 2005-06 | 15                | 15         | 15                 |
| 2004-05 | 9                 | 9          | 9                  |
| 2003-04 | 6                 | 6          | 6                  |

MHS in Bioinformatics (*stand-alone*)

| Year    | # of Applications | # Admitted | # Who Matriculated |
|---------|-------------------|------------|--------------------|
| 2006-07 | 2                 | 0          | 0                  |
| 2005-06 | 14                | 7          | 4                  |
| 2004-05 | 12                | 8          | 1                  |

MHS in Bioinformatics (*concurrent with PhD in another department*)

| Year    | # of Applications | # Admitted | # Who Matriculated |
|---------|-------------------|------------|--------------------|
| 2005-06 | 1                 | 1          | 1                  |
| 2004-05 | 1                 | 1          | 1                  |
