Announcements- 1

• Labs and TA/Stata office hours resume today (please remember that non-Stata questions may be asked at Stata office hours)

• Our goal is to return the Midterm Exams to you next week and post the answer key.

• We will hold a review of the Midterm Exam after that.
Announcements- 2

• Problem Set 1 was returned to you electronically
  – If it is marked as “Satisfactory” – you obtain full points
  – If it is marked as “Unsatisfactory” – then you may resubmit only the unsatisfactory or incomplete parts to “Problem Set 1 Resubmission” CoursePlus drop box for full points.
  – “Problem Set 1 Resubmission drop box will be open only until October 1.”
Announcements-3

• Lab Exercise 3 starts today and runs through September 30

• Problem Set 3 is due at 11:59 pm on Tuesday, October 6
  – For problem, the sampling applet works best with Google Chrome (not Internet Explorer)
  – The drop box will open on October 2

• Quiz 2 on Thursday, October 8
Healthy Minds: Teach math and change lives this fall!

- **Who:** You and the students of Commodore Elementary
- **What:** Helping students build confidence and skills in math
- **When:** One day M-Th starting in October 2015 (~1.5 hours weekly)
- **Where:** Commodore John Rodgers (<1 mile from campus)
- **Why:** Because you're interested in learning more about your Baltimore community, teaching, math, working with young people, and working with other medical and public health students!
