Dear Department Chairs and Representatives,

The recording and slides of Friday's Funding Opportunities webinar are now online: [Recording](#); [Messer slides](#); [Wang slides](#).

Let me also remind you of other resources from the ASA Committee on Funded Research:

- ASA Funding Opportunities Community group, to receive solicitations and related funding information: community.amstat.org/fundingopportunities/home
- External Funding sources webpage: www.amstat.org/ASA/Your-Career/...
 - with links to many webinar recordings
- [Committee for Funded Research Calls for Grant Review Panel Volunteers](#), *Amstat News*, February, 2018.
- [Serving Effectively on Funding Review Panels: Advice for Statisticians New to the Process; a document of the ASA Committee on Funded Research](#)
- [Statistical Issues Seen in Non-Statistics Proposals](#) (to share with colleagues in other disciplines)

Best Wishes,
Steve
