Good Afternoon,

The Department of Mathematics & Statistics at Northern Arizona University (NAU) invites applications for a tenure-track Assistant Professor position. Responsibilities include teaching mathematics courses at the undergraduate and graduate levels and carrying on an active research program. Preference will be given to research areas that are compatible with the needs of the department and existing faculty research areas, including analysis, differential equations, combinatorics, and data science. Minimum qualifications are a completed PhD in Mathematics at the time of application and college-level teaching experience as the instructor of record for at least two different courses. This position will begin on August 22, 2022. Review of applications will begin on January 22, 2022. NAU is a committed Equal Opportunity/Affirmative Action Institution. Women, minorities, veterans and individuals with disabilities are encouraged to apply. See <http://nau.jobs>, vacancy 605925 for details.

Sincerely,
NAU Department of Mathematics & Statistics
