

Rocket Doctor, founded by JHSPH MPH alum Dr. William Cherniak, is hiring for a full-time *Executive Research Coordinator*. [RocketDoctor](#) is a Cloud-based telehealth company, bringing the most advanced doctor's office into homes across North America. We are a passionate group of medical doctors, researchers, technical experts, and patient care professionals who believe every person deserves access to quality healthcare. We're looking for team members who are motivated to learn, grow and innovate while making a meaningful difference. Though only launched seven months ago, we have now seen almost 30,000 patients across Canada and the State of California while continuing to grow quickly. This is your chance to get in on the ground floor and grow with us.
